OFFICE OF THE LIEUTENANT GOVERNOR
SPEAKER OF THE SENATE

April 4, 2016

Colleagues,

As we approach the end of another busy legislative session, I hope you will take some time soon to read this excellent book: "The Bible: America's Source of Law and Liberty." The author, Stephen McDowell, explains in detail how Christian teachings influenced the creation of our nation and our system of government.

If this state and this nation is to survive into the next generation and beyond, we must all cherish and pass along this great history and heritage. I hope you enjoy this book. God bless you and God bless Tennessee.

Sincerely,
